Terms & Conditions

Water Supply

- (a) The monthly water supply charges/ rates given in the table are for 1/2" dia water connection. For 3/4" dia and 1" dia water connection, monthly water charges shall be two times and four times higher than 1/2" dia water connection.
- (b) Fifty percent (50%) of the connection fee shall be charged on restoration of connection subjected to the clearance of arrears.
- (c) Thirty percent (30%) of the connection fee shall be charged on change of name or change of location.
- (d) In case of own bore (no water connection), the charges of conservancy and sewerage shall be applicable.
- (e) In case of no water supply (internal/external), only solid waste/conservancy charges shall be applicable.
- (f) The water tanker shall be supplied free of cost to its registered water supply consumers on need basis, if the scheduled water supply is interrupted due to the prolong electricity loadshedding or repair and maintenance work except S. No 1 and 2 of other specialized services.
- (g) Installation of illegal water supply connection directly from water supply lines (tempering) is strictly prohibited and shall be liable to fine/punishment under section 66 of the Local Government Act 2013.
- (h) Installation of suction pump, donkey pump directly on water supply lines is prohibited and shall be liable to fine/punishment under section 66 of the Local Government Act 2013.

Solid Waste Management

- (a) Where any of the commercial entity produces abnormal solid waste (excluding hazardous waste) and requires a dedicated service, the Capital Metropolitan Government, Peshawar shall dispose it of in a manner as it may deem appropriate.
- (b) All the applicable charges, and conservancy charges (applicable as per Tariff) shall be fixed by the Capital Metropolitan Government, Peshawar
